SKILLS

- **Languages** :- HTML5, CSS3,

JavaScript (ES6+), SQL

- **Frameworks** :-

React 18, Tailwind CSS

Redux Toolkit, Context API

- **Tools** :- Git, GitHub, Vite

Vercel, VS Code, Firebase

, Cloudinary

- **Concepts** :- PWA, REST APIs,

localStorage, Responsive

Design, Error Boundaries Code

Splitting, PropTypes

- **Additional** :- Cybersecurity

Basics PKI, Cryptography

Networking

- **Languages** :-

English, Marathi,

Hindi

React Developer

React.js Developer with experience building and deploying production-grade SPAs using React 18, Redux Toolkit, Context API, Firebase Auth, Firestore, Cloudinary, and Tailwind CSS. Delivered real-world features including role-based access control, real-time data sync, PWA support, authentication flows, and performance optimization across multiple live Vercel deployments.

PROJECTS

Finance Tracker

React 18 · Context API · React Router v6 · Firebase · Cloudinary. Tailwind CSS · Vite · Vercel

Live :- <https://finance-tracker-reactjs-sandy.vercel.app/>

Github:- https://github.com/mayurpanchal12/FinanceTracker_Reactjs.git

- Built role-based auth (Admin/Viewer) via Firebase — viewers get read-only access.
- Real-time budget sync with auto-alerts + monthly insights.
- CSV/PDF export, Finance Vault (Cloudinary), scheduled transactions, voice input.
- Error Boundary, React.lazy + Suspense, skeleton loading, wildcard 404 route.

Task FLOW - React.js, Firebase, Cloudinary, Context API Error Boundary · Tailwind CSS

Live :- <https://react-todo-sage-phi.vercel.app/>

Github :- <https://github.com/mayurpanchal-12/ReactTodo.git>

- Firebase Auth with Google OAuth + email/password login, per-user Firestore isolation, account deletion with automatic re-authentication.
- Kanban drag-drop board, calendar view, Pomodoro timer, project workspaces, tag filtering, and activity history with live Firestore sync.
- PWA support, CSV/PDF export, analytics dashboard with 28-day heatmap, voice input, and skeleton loading.
- Task features: priority, subtasks, pinning, Today's Focus, file attachments (Cloudinary), repeating tasks, and account deletion with re-auth.

EDUCATION

BSC - Computer Science

CGPA: 8 / 10 GRADE - A

SPPU — Savitribai Phule Pune University

2022 - 2025
